8005 S. Figueroa Street

Los Angeles, CA 90003

(323) 568-5400

(800) 464-5290

The House of Uhuru has provided Drug and Alcohol Treatment services to the Greater Los Angeles Area since 1969. The purpose of the House of Uhuru is to assist individuals with substance use disorders and their families recover from the devastating effects caused by the disease of addiction.

The House of Uhuru's Certified Drug and Alcohol Counselors will develop an individual treatment plan to assist each patient achieve lasting sobriety by providing skills and support services necessary to maintain continuing recovery following completion of program.

Residential & Outpatient Services are based on a sliding fee scale. We accept Med-Cal for our Outpatient Drug Medi-Cal Programs.

We offer comprehensive drug treatment and rehabilitation services, to include:

- Individual and Group Counseling
- Mental Health Services
- Alcohol and Drug Education
- Health and Nutrition Education
- Life Skills Classes
- Anger Management Classes
- Parenting Classes
- Relapse Prevention
- Crisis Intervention
- Vocation and Educational Services
- Case Management
- Court Advocacy
- HIV/AIDS Prevention & Intervention

Our goal at the House of Uhuru is to enhance the well-being of culturally diversified communities impacted by Substance Use Disorder, provide comprehensive culturally-sensitive prevention and education with a continuum of quality care for positive social change.
